FIGHT ON TREATY OPENS IN SENATE

Johnson Charges "Something Concealed" in Asking Publication of Text.

VOTE MAY WAIT MANY DAYS

Count on Resolution Deferred — Hitchcock Says Proprieties Are Violated.

SHERMAN ASKS SEPARATION

Illinois Leader Attacks the League and Wants It Divorced From Treaty.

WASHINGTON, May 23.—The Senate debate on the League of Nations-Treaty was debated for three hours in the senate today, and at adjournment the resolution which furnished the vehicle for the discussion went over as unfinished business to come up again when the Senate reconvenes Monday.

The resolution merely calls on the State Department to furnish the Senate with the complete text of the treaty, but as the debate progressed discussion shifted to the merits of the League and treaty themselves. A dozen senators, including the leaders on both sides, were drawn into the discussion, and sharp exchanges passed the bitterness of the fight that is to come when the treaty actually comes up for ratification.

May Prove Test.

Comments of the treaty in its present form lined up generally for the resolution, and those supporting the treaty drafted the opposition. There was no attempt to reach a vote, however, and some senators presented a motion to adjourn three days before the preliminary skirmish of the great fight would come to a decision. The leaders both for and against apparently are feeling their way carefully.

WIRE BRIEFS

TRY TO BOMB AMERICAN LEGATION BUILDING.

WASHINGTON, May 23.—An attempt was made to demolish the American legation building at San José Costa Rica, Monday night by means of dynamite, but the bomb failed to explode. The bomb was placed near the entrance to the legation reception room, but exploded, causing only slight damage and no one was injured. The State Department announced that it had ordered an investigation.

Republican Leader Lodge, president chairman of the Senate Foreign Relations Committee, reported to Mr. Hitchcock, chairman of the Senate Foreign Relations Committee, that there was no attempt to destroy the legation unless it was impossible to "call attention to the real method of Japanese terrorism." Every shop keeper in Germany, said the Massachusetts senator, was trading the treaty as made public at Berlin, yet the Senate was provided only with a "worthless" official version.

Senate Party Action.

A check that the Republicans were attempting to make the treaty's separation question was made by Senator Johnson of Arkansas, democratic who had as evidence the telegram sent by Mr. Lodge, some weeks ago, to Republican senators asking them not to discuss the revision of the League of Nations resolution. The resolution, introduced by Senator Hitchcock, chairman of the Senate Foreign Relations Committee, who declared the president was following well established precedent in keeping the treaty text in confidence and that for the Senate to request him to do otherwise would be a gross breach of international procedure.

PUSHING DEFENDS ORDERS FOR FIGHTING.

WASHINGTON, May 23.—General Pershing has informed General March, chief of staff, that orders issued from American headquarters in France that France was to be put into a state of war in case of war in 1918, along with a report by American troops were based upon good cause.

The commander-in-chief's report made public today at the war department, was in reply to an inquiry from General March prompted by criticisms in Congress and elsewhere that the orders caused an unnecessary sacrifice of American lives.

YAZOO INDIANS KILL AMERICAN.

OKLAHOMA CITY, May 23.—A band of 20 Indians, who attacked a group of 100 soldiers, including Mrs. Anderson, who was a citizen of Mexico, from San Antonio, Texas, to White Sulphur Springs, Okla., last night, killed an American and will be called up for trial probably next week.

How long the discussion started by Senator Johnson's resolution of separation could not be predicted by either side tonight. During the day Senator Hitchcock, who had been expected to address the Senate at greater length on Monday in support of the treaty, and Senator Reed of Missouri, democrat, who is understood to oppose it, did not address the Senate at Monday's session. Many other senators are known to be present.

MRS. MACK INJURED; AUTO STRIKES HER.

Miss M. A. Mack, 55 North Holtz Street, was injured about 7 o'clock Friday night when she was struck by a speeding automobile driven by Frank W. Watson, near going west on Adair. She was hurried to the Roosevelt Hospital, where she received treatment for the injuries.

Miss Mack was crossing Holtz Street when an automobile driven by a high rate of speed was on Adair. She was struck by the front end of the car, which ran through her several feet, according to the statement made by the driver.

Although her injuries are not serious, she was in a painful condition at a late hour last night, according to the hospital attendant.
